AERONAUTICAL INFORMATION
CIRCULAR

No. 05/C06
Date: 05/05/23

AIS

**CHANGES OR DIFFERENCES NOTIFICATION ON
PUBLICATIONS OF AERONAUTICAL INFORMATION SERVICE**

The Civil Aviation Direction General reminds Airports Operators, aircrafts operating Companies and Entities of aeronautical services, the established on Costa Rican Aeronautical Regulation, RAC139, denominated "Airports Certification Regulation", item 139.339; "Notification and reports":

*Point b: Notification of discrepancies on publications of Aeronautical Information Service (AIS). The operator of the airport will review all Aeronautical Information publications (AIP), AIP supplements, AIP amendments, Notice to Airmen (NOTAM), Pre-flight information bulletins and aeronautical information circulars sent by AIS. When receiving this publications and immediately after reviewing it **will notify AIS all information that differs relating the airport.***

*Point c: before making mayor changes planned to facilities, equipment and service level of the airport, the Operator of the airport will notify to AIS and the D.G.A.C., in writing form, **at least 56 days before making any change** to facilities, airport equipment or service level, all changes that have been foreseen and that probably affects the accuracy of the information that figures on AIS publications.*
