PEL

COMMERCIAL AND AIR TRANSPORT OPERATIONS PILOTS **WHO HAVE ATTAINED THEIR 60TH BIRTHDAY OR NEAR AGE 60**

Licensing Department of Civil Aviation Direction General, informs all pilots with commercial pilot's license and airline transport who have attained their 60th birthday or near age 60, about the standard established on Annex 1 – Personnel Licensing - of Civil Aviation International Organization, paragraph 2.1.10–“Limitation of privileges of pilots who have attained their 60th birthday or near age 60” - that textually declares:

"A Contracting State, having issued pilot licenses shall not permit the holders thereof to act as pilot-in command of an aircraft engaged in schedule international commercial air transport operations or non schedule international commercial air transport operations for remuneration or lease, when the license holders have attained their 60th birthday."

Costa Rica deviate from standard described above and has notified the difference to I.C.A.O. in execution to Article N° 38 of Chicago Convention.

With the purpose the other I.C.A.O. signatories States can be informed that Costa Rica presents a difference with the international standard, we kindly request all commercial and air transport operations pilots who have attained their 60th birthday or near age 60, contact Licensing Department of Civil Aviation Direction General (506) 2290-0087, to arrange an appointment and include the corresponding note in their licenses.
