**FLIGHT CREW MEMBER'S  
DOOR COMPARTMENT**

The Civil Aviation Direction General communicates all aircrafts operating companies and other operators that starting from 2005/June 01, will be of obligatory observance that all aircrafts transporting passengers with a certified take-off mass over 45.500 kg or with passengers capacity more than 60 seats, shall be equipped with a door on flight crew member's compartment, approved and designed by outline authority of the aircraft, to resist shots penetration of short weapons and grapeshot of grenades and not authorized people forcing. This door should close and open from any pilotage position.
