METHOD OF PAYMENT BY CONSUMPTION
OF AVIATION FUEL

The Civil Aviation Authority, in coordination with the Airports Department, communicates to the aircraft operating companies, pilots, aeronautical services entities and users in general of the fuel supply service operating at the International Airports Juan Santamaría, Daniel Oduber Quirós, Tobias Bolaños Palma and Limón, that the offices of the Costa Rican Petroleum Refinery (RECOPE) located in these air terminals, do not receive cash for payments made by customers who consume aviation fuels.

For this reason, RECOPE has available to its customers only the following options to make payment and cancel purchases of its products:

- I. Direct deposits to the bank accounts of RECOPE.
- II. Electronic funds transfers to RECOPE accounts.
- III. Credit cards.
