SPACES FREE TO EXHIBITION
TOBACCO SMOKE

→ The Civil Aviation Authority communicates to the Operators of the International Airports and companies operating aircraft, pilots and the general public; the provisions of the “General Law on Tobacco Control and its harmful effects on Health”, No. 9028, of March 22, 2012, published in La Gaceta No. 61 of March 26, 2012, Scope 37.

CHAPTER II

ARTICLE 5.- Sites forbidden to smoke

One hundred percent (100%) spaces are declared free from exposure to tobacco smoke, those indicated in this article:

- c) Centers and dependencies of public administrations and public law entities.
- l) Means of rail and sea transport and aircraft with origin and destination in national territory.
- o) Ports and airports.

→ Thus; It is forbidden to smoke absolutely, in all the Centers and Dependencies of the Civil Aviation Authority including International Airports and Local Aerodromes.

→ Likewise; In accordance with the instruction issued by the Ministry of Health on its website www.ministeriodesalud.go.cr, the General Directorate of Civil Aviation must maintain in all its facilities the current poster of “Prohibited Smoking, smoke-free environment”
